EDWARD EBUBE AZUBUIKE

Product Designer (UI/UX)
Lagos, Nigeria | 07081990335 | eddyzubik98@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Product Designer with experience creating web and mobile experiences across transportation, AI, education, SaaS, and data products. Skilled in user research, interaction and visual design, wireframing, prototyping, accessibility, and design systems. Collaborates with product and engineering teams to translate requirements into intuitive, developer-ready interfaces and iterate through usability feedback.

CORE SKILLS

User Research, UX Design, UI Design, Wireframing, Prototyping, Information Architecture-, Interaction Design, Usability Testing, Design Systems, Responsive Design, Accessibility (WCAG), Figma, FigJam, Notion, Developer Handoff, Cross-Functional Collaboration, User-Centered Design, Web Interface Implementation

EXPERIENCE

T40 Technologies (Intercity.ng) **Feb 2026 - Present**
Junior Product Designer
- Design accessible, user-centered web and mobile experiences for transportation products, applying responsive design principles.
- Collaborate with product managers and engineers to translate product requirements and user needs into scalable interface solutions.
- Create wireframes, high-fidelity interfaces, and interactive prototypes to communicate interaction behavior and support developer handoff.
- Maintain design consistency through reusable components and design systems.

Oyasis Outreach **Dec 2025 - Mar 2026**
Junior UI/UX Designer
- Designed user-centered experiences for Eluma, an AI conversational platform, using interaction design principles.
- Created user flows and wireframes for Planova, an AI trip-planning application.
- Improved usability and visual consistency across company products through usability testing and design iteration.

Bomcel Digital **May 2025 - Aug 2025**
Product Designer Intern
- Designed dashboards and data visualization interfaces.
- Improved data upload workflows and reduced user friction.
- Delivered developer-ready designs and collaborated with engineering teams.

FlexiSAF **May 2025 - Jul 2025**
UI/UX Design Intern
- Designed end-to-end experiences for PeerPal.
- Improved information architecture and navigation for educational products.
- Created wireframes, prototypes, and high-fidelity designs for a smart home appliance ecosystem.
